Pakal Dul HE Projects(p) Ltd**, as defined under Rule 56(2)(ii) of the Jammu & Kashmir Minor Mineral Concession Storage, Transportation of Minerals and Prevention of Illegal Mining Rules, 2016 read with S.O 391 Dt.22.12.2020,S.O 29 Dated 24.01.2022, S.O 149 dated 01.04.2022 and S.O 439,dated 12.09.2022, is hereby granted for **100000 MT (One Lac metric ton) of Tunnel Muck** excavated and stocked during construction of the project from Dandgduru stock yard with Geo Coordinates of corner points of the site as: 33°26'48"N 75°48'05"E,33°26'49.66"N 75°48'04.51"E, 33°27'10.51"N 75°48'31.67"E, 33°27'10"N 75°48'32"E, attested/ countersigned by Tehsildar Dachan Kishtwar, with validity period of one month. However, the permission so granted shall be subject to the following conditions:

1. Shall restrict the lifting of material from the area as attested by the Revenue Authorities on the site plan
2. Shall take all precautions for the protection of environment and control of pollution;
3. Shall not transfer of such permit;
4. Shall be bound to record the lifted material at the nearest Mineral Check Post;
5. Shall Surrender such permit after the quantity specified therein is dispatched, to the Department within a week after the last consignment of dispatch along with the particulars by giving the details of the name of the consignee, the date and dispatch etc;
6. Shall have to make the transportation of mineral removed from the area under a duly authenticated challan in **Form A**;
7. Shall allow the executive staff and the officers of the Department of Geology & Mining to inspect, check and measure the minor minerals at all stages including its transportation;
8. shall be responsible for any third party claim/interference and department shall not be responsible for such claims/interference within mineral concession area; and Failure to comply with any of the above conditions shall be a ground for withdrawal of the permit or cancellation of the same.
9. Shall have to pay additional royalty dues on the scrutiny of the sale documents and the test checks, provided the excess quantity is not beyond 10% of the quantity mentioned in the permit. In case the excess quantity is beyond 10% permit holder shall be liable to pay back to the department the excess quantity excavated/ used as assessed by the Officer Incharge of the District concerned.
10. Shall confine his workings within the limits of the allotted area and shall restrict the Bonafode disposal activities within the said area. In case the Permit Holder is found working outside the boundary of his allotted area, the Permit may be cancelled.
11. Shall adhere the provisions of Mines and Minerals(Development and Regulation) Act 1957, Forest (Conservation) Act 1980, Environment Protection Act 1986, Jammu and Kashmir Water Resources (Regulation and Management) Act 2010, J&K State Fisheries Act, 1960 and the rules made thereunder including the Rules/ restrictions/general conditions laid down in SRO-105 dated 31.03.2016.

12. The Permit Holder shall adhere the instructions/orders of MoEF&CC, NGT, Stake Holder Departments & District Administration etc. issued from time to time.
13. District Mineral Officer (DMO) shall ensure that Disposal Permit of the material/ quantity which has already been excavated during construction of PakalDul HR Project Dangduru, Kishwar and stocked in stockyard as per site plan shall be allowed from applied area subject to feasibility and availability of material in applied area as per site plan, and fulfil the rule 56(1), (i to iii) and used for government work of emergent nature of public interest only and also arrange the proper monitoring system by deploying Supervisory staff.
14. The DMO shall ensure the quantification is allowable as per existing Mining norms and shall review from time to time after making field visit so that no damage is made to the general environment.
15. The DMO shall ensure that before issuance/execution of this disposal permit, advance royalty, Income Tax, other due charges etc; shall be paid by the applicant towards the Department of Geology and Mining.
16. The DMO shall also ensure that there is no dispute regarding payment of royalty, taxes and other dues etc.
17. The Disposal Permit (Tunnel Muck) shall exclusively be used for project works only.
18. District Mineral Officer shall ensure that no transportation of Mineral is allowed without proper authenticated FORM-A.
19. The District Mineral Officer shall ensure that the issuance of Disposal Permit in favour of the firm is for Tunnel Muck only under Rule -56 of SRO-105, Dated 31.03.2016 after completing all the requisite formalities under the provisions of said SRO.
20. The commencement of said permit shall take place only after demarcation of the applied area by the District Mineral Officer in consultation with Revenue Department (Competent Authority), Group General Manager (I/C) PakalDul HE Project Chenab Valley Power Projects(P) Ltd & Deputy General Manager, Jaiprakash Associates Ltd PakalDul HE Projects(p) Ltd.
21. District Mineral Officer shall report immediately after the quantity of Minor Mineral consumed by the Group General Manager(I/C) Pakal Dul HE Project Chenab Valley Power Projects(P) Ltd and ensure no further transportation is allowed.
