

Government of Jammu and Kashmir(UT)
Directorate of Geology and Mining, Jammu.

Subject:- Application for grant of Disposal permit in favour of M/s Jaiprakash Associates Limited.

Order

Whereas, M/S Jaiprakash Associates Ltd Pakal Dul HE Projects(p) Ltd. applied online for grant of Disposal Permit under Tracking ID No. 1354229986 at Village Dangduru Tehsil Dachhan, District Kishtwar for a quantity of 1,00,000 MTs of minor mineral under Survey No. 1254; and

Whereas, the said application along with Site Plan of the applied area for Pakaldul Hydro Electric Project Drangduru (Dam Package) Location of Dumping Yard D/S of Dam with Geo-Coordinates ($33^{\circ}27'10''N$, $75^{\circ}48'32''E$, $33^{\circ}26'48''N$, $75^{\circ}48'05''E$, $33^{\circ}26'49.66''N$, $75^{\circ}48'04.51''E$, $33^{\circ}27'10.51''N$, $75^{\circ}48'31.67''E$) authenticated and certified by Tehsildar Dachhan that dumping yard falls within the Project area and said land has been transferred to CVPP by Forest Department and its enclosures for grant of Disposal Permit, was recommended by Joint Director, Geology and Mining Department, Jammu via on-line; and

Whereas, the Engineer-In-Charge, Group General Manager, PDHEP, Kishtwar, vide letter No. CVPPPL/PDHEP/GGM(I/C)/2022-402 dated 02.03.2022, issued "No Objection Certificate" for use of usable muck extracted from underground work/surface work of Dam; and

Whereas, the Deputy Commissioner, Kishtwar, vide letter No. DCK/LA/22/F.No.259/84 dated 23.05.2022 issued No Objection Certificate for dumping and excavation of Tunnel Muck for Disposal Permit on the said land/site; and

Whereas, the District Mineral Officer, Geology and Mining Department, Kishtwar (Tracking ID No. 1015900010) in his report stated that the Stock Yard Site located between Pinjrari and Swarbati in Dachhan area of the Kishtwar District has been visited to physically verify the quantities of tunnel muck stored in the stock yard for which the authorities of GM CVPPPL of the PakalDul Hydroelectric Project has provided the stock position of the tunnel muck excavated from the tunnels and other surface excavation in the construction of the dam package of the Pakaldul Hydro Project as stored in the stock yard, the report of the same had already been submitted along with photograph vide this office letter No. DMO/K Disposal Permit/2022-23/62 dated 20.05.2022. Out of the total five lakh Metric Tonnes of the stocked tunnel muck, two Disposal Permits of 1.00 lacs MTs has already been issued. It is, therefore, recommended that the Disposal Permit may be granted to the applicant as the material is available in the stockyard ; and

Whereas, this office vide letter No. 1230/MCC/DGM/CVPPL/Kisht/20/4638 dated 9.9.2022 conveyed approval for grant of Disposal Permit (Tracking ID No. 1015900010) in favour of said applicant/Firm to Joint Director, Geology and Mining Department, Jammu; and

Whereas, the Joint Director, Jammu vide letter No. JDJ/STP/Kishtwar/2020-21/1633 dated 19.09.2022 requested this office for providing of reference/Tracking ID with applied Geo-Coordinates and in reply this office vide letter No. 1230/MCC/DGM/ CVPPL/Kishtw/20/4884 dated 20.09.2022 provided the requisite details to Joint Director, Jammu for issuance of Disposal Permit ; and

Whereas, the Joint Director, Jammu vide letter No. JDJ/STP/Kishtwar/2020-21/1673 dated 21.09.2022, returned the case (Tracking ID No. 1015900010) regarding approval conveyed by Director, Geology and Mining, J&K (UT) vide letter No. 1230/MCC/DGM/CVPPL/Kisht/20/4638 dated 9.9.2022 for issuance of Disposal Permit with the remarks " that the said permit may be issued from Directorate office".

Now, therefore, in view of the above and as per Rule 56(2)(iii) & 58 of the J&K Minor Mineral Concession, Storage, Transportation of Minerals and Prevention of Illegal Mining Rules, 2016 read with S.O 391 Dt.22.12.2020,S.O 29 Dated 24.01.2022, S.O 149 dated 01.04.2022 and S.O 439,dated 12.09.2022 sanction is hereby accorded for Grant of Disposal Permit in favour of **M/S Jaiprakash Associates Ltd Pakal Dul HE Projects(p) Ltd** for lifting of 1,00,000 MTs of minor mineral (Tunnel Muck) (Tracking ID No.1354229986) excavated and stocked during construction of the Project from Dandgduru stock yard with Geo Coordinates corner points of the site as: ("33°27'10"N, 75°48'32"E, 33°26'48"N, 75°48'05"E, 33°26'49.66"N, 75°48'04.51"E, 33°27'10.51"N, 75°48'31.67"E") attested/ countersigned by Tehsildar Dachhan, Kishtwar with a validity period of 30 days from the date of issuance of the Disposal Permit. However, the permission so granted shall be subject to the following conditions that the Applicant (Permit Holder) :

1. Shall restrict the lifting of material from the area as attested by the Revenue Authorities on the site plan
2. Shall take all precautions for the protection of environment and control of pollution;
3. Shall not transfer of such permit;
4. Shall be bound to record the lifted material at the nearest Mineral Check Post;
5. Shall Surrender such permit after the quantity specified therein is dispatched, to the Department within a week after the last consignment of dispatch along with the particulars by giving the details of the name of the consignee, the date and dispatch etc;
6. Shall have to make the transportation of mineral removed from the area under a duly authenticated challan in **Form A**;
7. Shall allow the executive staff and the officers of the Department of Geology & Mining to inspect, check and measure the minor minerals at all stages including its transportation;

8. shall be responsible for any third party claim/interference and department shall not be responsible for such claims/interference within mineral concession area; and Failure to comply with any of the above conditions shall be a ground for withdrawal of the permit or cancellation of the same.
9. Shall have to pay additional royalty dues on the scrutiny of the sale documents and the test checks, provided the excess quantity is not beyond 10% of the quantity mentioned in the permit. In case the excess quantity is beyond 10% permit holder shall be liable to pay back to the department the excess quantity excavated/ used as assessed by the Officer Incharge of the District concerned.
10. Shall confine his workings within the limits of the allotted area and shall restrict the Bonafide disposal activities within the said area. In case the Permit Holder is found working outside the boundary of his allotted area, the Permit may be cancelled.
11. Shall adhere the provisions of Mines and Minerals (Development and Regulation) Act 1957, Forest (Conservation) Act 1980, Environment Protection Act 1986, Jammu and Kashmir Water Resources (Regulation and Management) Act 2010, J&K State Fisheries Act, 1960 and the rules made thereunder including the Rules/ restrictions/general conditions laid down in SRO-105 dated 31.03.2016.
12. The Permit Holder shall adhere the instructions/orders of MoEF&CC, NGT, Stake Holder Departments & District Administration etc. issued from time to time.
13. District Mineral Officer (DMO) shall ensure that Disposal Permit of the material/ quantity which has already been excavated during construction of Pakal Dul HR Project Dangduru, Kishwar and stocked in stockyard as per site plan shall be allowed from applied area subject to feasibility and availability of material in applied area as per site plan, and fulfil the rule 56(1), (i to iii) and used for government work of emergent nature of public interest only and also arrange the proper monitoring system by deploying Supervisory staff.
14. The DMO shall ensure the quantification is allowable as per existing Mining norms and shall review from time to time after making field visit so that no damage is made to the general environment.
15. The DMO shall ensure that before issuance/execution of this disposal permit, advance royalty, Income Tax, other due charges etc; shall be paid by the applicant towards the Department of Geology and Mining.
16. The DMO shall also ensure that there is no dispute regarding payment of royalty, taxes and other dues etc.
17. The Disposal Permit (Tunnel Muck) shall exclusively be used for project works only.
18. District Mineral Officer shall ensure that no transportation of Mineral is allowed without proper authenticated FORM-A.
19. The District Mineral Officer shall ensure that the issuance of Disposal Permit in favour of the firm is for Tunnel Muck only under Rule -56 of SRO-105, Dated 31.03.2016 after completing all the requisite formalities under the provisions of said SRO.

20. The commencement of said permit shall take place only after demarcation of the applied area by the District Mineral Officer in consultation with Revenue Department (Competent Authority), Group General Manager (I/C) PakalDul HE Project Chenab Valley Power Projects(P) Ltd & Deputy General Manager, Jaiprakash Associates Ltd PakalDul HE Projects(p) Ltd.
21. District Mineral Officer shall report immediately after the quantity of Minor Mineral consumed by the Group General Manager(I/C) Pakal Dul HE Project Chenab Valley Power Projects(P) Ltd and ensure no further transportation is allowed.
22. The applicant shall install weighing Machine at the dump Site.
