

**Government of Jammu and Kashmir
Directorate of Geology and Mining**

**Subject:- Application for grant of Environmental clearance/
Consent to operate by the LOI-Holder**

CIRCULAR

All the successful bidders in whose favour letter of Intent (LOI) has been issued and in whose favour Mining Plans have also been approved need to immediately apply for Environmental Clearances with the competent authority. Any delay at this level would prolong the process of securing EC and CTO and consequently lead to delay in executing lease for extraction of minor minerals in the concerned blocks.

All such LOI-holders are therefore enjoined upon to apply for EC with all required formalities without any further delay and follow up with the concerned agencies for expeditious disposal
